AMERITOOL GAS CHARGED HATCH SUPPORTS

Ameritool Fixed Force Gas Filled Hatch Supports

High quality American made 316 stainless steel fixed force gas filled hatch supports are self-contained pneumatic devices capable of producing very large forces. Each gas spring is pressurized with nitrogen gas and contains a small amount of lubricating oil with the cylinder. They offer superior visual appearance and quality. Used in opening or closing hatches, doors, safety lids, etc.

End Mount Thread: M6 MS 1

316 Stainless Steel
