Sea Dog Boat Hook Mooring Buoy Snap Kit

The safe and easy solution for attaching a mooring line to a mooring buoy or cleat. These channeled 316 stainless steel snaps fit onto the end of boat hooks or other poles, using the included backing plate, turning a challenging task into a quick and simple process. The kit includes the snap hook, keeper plate and fasteners for attaching the keeper plate (Sea-Dog® boat hooks have pre-drilled mounting holes for ease of installation). Simply reach out with the boat pole, hook the carabiner on the inside of the attachment point, then simply pull back on the boat pole. The carabiner snaps shut as it slides free of the pole securely clipping to the mooring eye or cleat. WLL - 2,185 lbs.

South Wind Design Rod Holder Mount Flag Poles with U.S. Flag Included

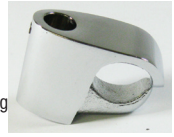

These flag poles were designed and built right here in South Florida and are made to withstand the harsh marine environment. The pole is constructed of 1/2" fiberglass rod material which is remarkably flexible, non-conductive and extremely durable. The rod end is affixed with a gimbal mount designed to slide right into your rod holders and/or rocket launchers. Attaching your flag is easy with the included pennant mounts and stainless clips.
