Top Shelf Lil Stubby Bottom Brush

Great for in the water hull cleaning. It comes with a short, lightweight fiberglass handle with a non-slip grip. The brush is 12.5" x 5" with angled nylon bristles for working flat, curved and complex hull angles. It also has bristles on each side for tight work. The length of the handle allows the diver to wedge it into his/her forearm when working down the hull. The brush measures 18.5" overall and floats. Easily breaks down for stowage in your step box, locker or fish box. Comes with a preinstalled lanyard.

Order No	Mfg No	List
393488	01-LSBB	\$31.25

Top Shelf Scraper / Brush Combo

This "Purpose-Built" brush is perfect for in the water hull cleaning on smaller boats and spot cleaning on larger vessels. It's our choice for when you just want to jump in and do a quick "look see" on the running gear and bottom. The nylon bristles are great for soft growth and the 302 series hardened Stainless Steel blade makes quick work of the occasional barnacle you may find. The brush comes with a wrist lanyard so you won't lose it.

01-HM1

01-HM2 & 01-HM3

Top Shelf Bottom Cleaning Mitts

- Soft

This is a great mitt to use above and below the waterline. It's made from microfiber so it holds suds well. We've also found that on new bottom paint it does a great job of removing slime with little impact on ablative bottom paints. For hard bottom paints with light slime this mitt is excellent. It comes with a removable 6" wrist lanyard so you can go from mitt to tools while you are under the boat and not worry about losing the mitt. One size fits all.

- Medium and Hard

Thumb cut out allows you to wrap it around the prop shaft and this also allows you to carry a scraping tool in the same hand. The mitt can be worn on either hand and used top or bottom. It's made from heavy, coarse, rot free scour pad material and is great for ablative bottom paints that have been in service for approximately 2/3rds of their expected life. This material will remove more ablative paint than our Number 2 mitt, but will also be more aggressive on stubborn growth. Comes with a 6" wrist lanyard.

140513	5FTWTHHANDLE	5' White Handle	\$32.25

Swobbit Deck Brushes

Durable poly-block incorporates Uni-Snap™ which eliminates premature loosening of the adapter in the block – common with old-fashioned wood block brushes. Uni-Snap adapter won't come out of the block – guaranteed! This process also eliminates set screws which loosen or strip out. Poly-blocks are not affected by sun, salt, water or cleaning chemicals. Unlike wood block brushes, MPS brushes won't rot, warp, crack or mildew. MPS brushes feature the following:

- 7.5" wide block for quick cleaning
- Premium bristles set at a 20° flare
- Corrosion resistant staples
- Uni-Snap™ adapter for a positive no-slip connection to telescoping handles
- Welded wrap around bumpers.

Extra-Soft Blue - For enclosures and other delicate finishes (no non-skid)

Soft Flagged Yellow - This brush is the best all around cleaning brush suitable for all finishes including fiberglass and painted finishes. Not recommended for enclosures.

Medium Yellow - Designed for more aggressive cleaning – non skid, teak decks, vinyl cushions. Not recommended for enclosures.

Stiff Cleaning Teal - Ideal for teak and non-skid decks, boat bottoms and any textured surface requiring aggressive cleaning.

Swobbit Flex Gel Water Blade with Flex Handle

Does not fit into Adapter #120571.

Soft gel handle makes the water blade even more flexible. 12" wide blade quickly dries surfaces. Patented T-Bar edge removes water in one pass. Soft medical grade silicone molds to curves and contours. Dries in 1/3 the time of towels, chamois or squeegees. 15 times less friction than towels.

Order No	Mfg No	Length (Gel Blade)	List
387013	SW21514	12"	\$36.95

Swobbit Quik Dry Water Blade

Dries any surface in 1/3 the time of chamois or squeegees. Patented T-Bar edge quickly whisks away water leaving the surface dry. Made from medical grade silicone, Quik Dry molds to curves and contours. Quik Dry won't damage delicate finishes - 15x less friction than towels. May be used on painted and gelcoat finishes, windows, brightwork and enclosures without fear of scratching. Quik Dry is recommended by EZ2CY™ and Strataglass™ to dry their enclosures. Quik Dry is also perfect for showers, cars, RV's and any surface that needs to be dried quickly.

Note: Telescoping handle adapters are available with Uni-Snap adapter or Acme threaded head. Now Quik Dry Water Blade can fit onto a telescoping handle or threaded tip handle.

Magic Wool Polisher Pad

This custom blended pad is made from a high grade bronze metallic wool. Designed to work with Shurhold's Dual Action Polisher. Shurhold's Magic Wool Polisher Pad is similar to a steel wool but much finer and resists rusting. This Magic Wool along with Shurhold's Buff Magic is the perfect combination for removing water spots from glass.
Magic Wool Polishing Pads are sold 2 to a pack. All pads have standard hook and loop backing.
For use with Dual Action Polisher.

Dual Action Polisher Scrubber Pads

Turns your Shurhold Polisher into an aggressive power scrubber. Great for working on all types of surfaces and projects.
Fine (White) for delicate surfaces.
Medium (Blue) for medium duty cleaning and scrubbing.
Coarse (Brown) for stripping and paint prep.

These pads are also great for teak work. Fine grade white scrub pads are suited for light cleaning of teak, non-skid decks and other surfaces. Medium grade blue pads are better for general teak cleaning. Coarse brown pads are intended for heavy duty teak cleaning and bottom paint preparation.
All pads are designed to easily fit Shurhold's Dual Action Polisher.

Pads sold individually.
For use with Dual Action Polisher.

Order No	Mfg No	Type	List
386206	3201	White - Fine Pad	\$9.00
